African Bishops Oppose Separation Plans

By Eveline Chikwanah

Sept. 9, 2019 | MUTARE, Zimbabwe (UM News)

Bishops in Africa have resolved not to support any proposed legislations or plans that may result in a split or dissolution of The United Methodist Church. [In a statement](#) at the close of the Africa College of Bishops retreat Sept 2-6, the bishops said the church would continue in Africa after the 2020 General Conference. *"We do not support any legislation that calls for the dissolution of The United Methodist Church. We uphold our values as a connectional and worldwide church committed to 'making disciples of Jesus Christ for the transformation of the world',"* the bishops' statement said.

President of the Africa College of Bishops, John K. Yambasu of Sierra Leone, said the bishops would not allow others to set the agenda for the church in Africa. *"We African bishops and the galaxy of informed clergy across this continent must set the agenda for the church in Africa rather than allow others to draft it on our behalf for us to rubber stamp and seal it,"* Yambasu said.
